

## Dispensation Panel 2021

### Purpose

The purpose of the Dispensation process is to support and strengthen the integrity of the club-based system that IHNZ competition operates in and to provide a fair and equitable competition for all clubs where members can participate without any unnecessary bias or disadvantage.

### Objective

The objective of the Dispensation Advisory Panel is to assess applications submitted by IHNZ members whose circumstances fall outside of the conditions as described in the IHNZ National Club Championships 2021 Event Notice, assess the merits of the circumstances presented and make evidence-based decisions that support participation outside the rules of the event and to fit within the spirit of sport.

The criteria and circumstances can be very broad and will be assessed on a case by case basis.

### Panel

Todd Velvin, Sally Williams and Clyde Jackson will form the 2021 Dispensation Panel. Sally and Clyde are reprising their roles from both 2019 and 2020 to ensure continuity.

Please ensure you have taken time to read the Event Notice, so you are aware of the rules. All applications are through your club and must reach IHNZ by 5pm, 31 July 2021.
