# Club Feedback

## General

### Retention of Members being a biggie:

- ❑ Difficult to grow the sport
- ❑ Ice - more organised in terms of a draw been published at start of season - no last minute changes!
- ❑ Ice - more competition, cost effective school holiday programmes, tournament schedule run over Fri/Sat/Sun - less time off work
- ❑ Lack of rink time available

# Club Feedback

## General

### Solutions:

- ❑ Difficult to grow the sport
  - *grassroots/development camps, LTP, coaching initiatives*
- ❑ Draw
  - *asked regions to have the draw developed and sent to Cam for sign off and published April*
- ❑ More competition
  - *More options for 2023 onwards both nationally and internationally*
- ❑ Lack of rink time
  - *Better planning - draw completed earlier to give venues notice*

A Restructure to ensure we incorporate this feedback and allow for the long term health of the sport
