

Expression of Interest New Zealand Nationals Club Championships 2022 - 2026

Starting from 2022 onwards National events will run via an Expression of Interest form. The purpose of this is to aid our clubs who wish to host the event and advise members and clubs in advance of travel and costs for submitting teams.

The New Zealand Inline Hockey Association invites expressions of interest from clubs to provide the venue for the 2022 - 2026 New Zealand Inline Hockey National Championships. All clubs are welcome to apply for hosting rights for each year within this period.

The Championships attract approximately 65 teams and 650 competitors and associated spectators. The championships are generally held in the first week of the school holidays in September/October each year.

All interested clubs are invited to submit an Expression of Interest and complete the following information requested in detail.
